

## CANISIUS HIGH SCHOOL

JESUIT PREPARATION *for* COLLEGE...FOR LIFE

June 26, 2011

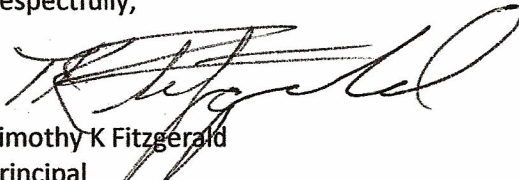

Concerned educator,

I am happy to be writing to you on behalf of Jose Perez. Jose was employed at Canisius High School for the 2010-2011 academic year. As a part time Spanish teacher he taught Spanish level two.

Mr. Perez has strong content knowledge and is adept in his teaching methods. His classroom was vibrant with writing, speaking, and listening as students engaged in meaningful learning tasks. He was open to working with his department members as a "team player" and abided by and supported school policies and procedures. He had a unique connection and rapport with students and although working only part time had a bond with his department and the school. He involved himself in the school service program and freely gave of his time and experiences.

Jose Perez would be a nice addition to any staff. My brief experience with Jose has been positive and I can recommend him without reservation.

Respectfully,

Timothy K Fitzgerald
