

To Whom It May Concern:

The purpose of this letter is to recommend Jose Perez for an advanced Graduate Program. Jose has been a student in several of my classes in the undergraduate and graduate Career and Technical Education Program. He has been actively engaged in each of the courses. His work has been outstanding and his attendance perfect. Materials that Jose submitted have consistently been of the highest quality.

Jose's interaction with his peers is well beyond average. He is a person who will volunteer to assist when needed (and not necessarily called upon)! Jose has demonstrated that he is a hard worker and will devote whatever is necessary in order to be successful.

I would not hesitate to recommend Jose for whatever Program he may choose.. He is well deserving and will do very well.

Sincerely,

N. John Popovich, Ed.D.

Program Coordinator Career and Technical Education
