To Whom It May Concern:

This letter is in support of Jose Perez as a candidate for a teaching position.

I have served as a volunteer at Asbury Shalom Zone during the entire time that Mr. Perez has taught computers in the Adult Program offered by BOCES 2 at that site. Although I have not had an opportunity to observe his classroom performance, I have been able to witness his strong work ethic and dependability. He has worked very diligently to improve both his English language skills and his subject matter knowledge. He has willingly shared his expertise beyond his classroom to upgrade and integrate donated computers not only for his own program but for the use of the Shalom Zone as well.

Since we initiated an awards program to recognize outstanding clients in the wide variety of programs offered in our building, Mr. Perez has eagerly participated. He is dependable in his preparation of any reports for our Board.

I have found him to be pleasant, hardworking and willing to go the extra mile. It is without reservation that I recommend Mr. Perez for a position in your school. If I can be of any further assistance please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script, reading "Lurly L. Hunsberger", followed by a horizontal line.
