To Whom It May Concern:

This is a letter of reference for Jose Perez. Jose has been the Computer teacher employed by BOCES and working at the Asbury Shalom Zone for more than five years. Jose has always been a very dedicated teacher and works hard to help his students to understand the principles of the subject. He is always courteous and well mannered. He has gone beyond the minimum requirements of his job to help at the Asbury Shalom Zone to make things run smoothly. He is very knowledgeable about computers and is willing to take time to help others with their equipment or software. He listens well and is appreciated by most of his students.

A handwritten signature in cursive script that reads "Merle Showers". The signature is written in dark ink and is positioned above the printed name of the signatory.
